

Stop Press First Workshop for 2018

Caroline Sharkey

Jan 6 and 7 Freedom with Nature-Scapes

'Come and join me on this new amazing journey of Nature-Scapes. My newfound freedom of creating "glimpses" of nature amid an arrangement of cloth and fibres, incorporating new textures and Art Quilting techniques. You will create little 'windows' of joy with images of fabrics than can be found within your stash, master how to embellish them to make them pop! Learn to make new fabrics with my technique of re-creating fabric by chopping your fabrics, mixing and designing them in to new surfaces. Thread painting and embellish with 3D decorations as part of your theme and enhance the finish with stitched patterns across the surfaces. '
